

## ✓MODEL ANSWERS FOR INTERVIEW QUESTIONS:

---

### **1. Could you give me your short introduction?**

#### **Sample Answer:**

"Thank you for the question. My name is [Student's Full Name], and I'm from [City, Country]. I have recently completed my [mention qualification, e.g., +2 in Management stream] with a strong academic record. I am a hardworking, disciplined, and goal-oriented person. I have always been passionate about business and management, and I'm now preparing to study Business Management at the University of Sunderland. My long-term goal is to become a successful business professional and contribute to the business sector of my country."

---

### **2. Could you tell me something about your father's occupation?**

#### **Sample Answer:**

"Yes, of course. My father is a [mention occupation, e.g., farmer, businessman, teacher, etc.]. He has been working in this field for over [X] years. He works very hard to support our family and also motivates me to focus on my education. He is the main sponsor of my education abroad and fully supports my decision to study in the UK."

---

### **3. Having reached London, will you give more priority to your education or to your earning?**

#### **Sample Answer:**

"I will give first priority to my education because that is the main reason I am going to the UK. I understand that studying abroad is a big investment, and I want to make the most of this opportunity. Part-time work may help with my living expenses, but my studies will always come first."

---

**4. When you suffer financial difficulties during your stay in England, how will you help to overcome your problem?**

**Sample Answer:**

"I have already made a proper financial plan with the support of my family. My parents are financially stable and have set aside the required funds for my tuition and living costs. In case of any emergency, they are fully prepared to support me. Moreover, I will try to live within my budget and avoid unnecessary expenses."

---

**5. Why do you want to study at Sunderland University? Why don't you want to pursue your higher education in your country Nepal?**

**Sample Answer:**

"I have chosen Sunderland University because it offers an excellent Business Management program that is practical, career-focused, and internationally recognized. The faculty, curriculum, and placement opportunities really impressed me. Studying in the UK will give me global exposure, international networking, and modern business skills that are not available in the same way in Nepal. Although Nepal is my home, I believe studying in the UK will give me a competitive edge and help me become a better professional."

---

## **6. How long will you stay in England?**

### **Sample Answer:**

"I will stay in England only for the duration of my study, which is approximately [e.g., 3 years]. After completing my degree, I plan to return to Nepal and use the knowledge and experience I gained to build my career."

---

## **7. What will you do after completing your education in the UK?**

### **Sample Answer:**

"After completing my education, I will return to Nepal to start my career in the field of business management. I would like to work with reputed companies or even start my own business in the future. The knowledge and international experience I gain in the UK will be very useful in my home country."

---

## **8. Why have you chosen Business Management to study and what kind of exciting opportunities have you seen after completing your education in this subject?**

### **Sample Answer:**

"I have chosen Business Management because I am passionate about leadership, marketing, and entrepreneurship. This subject offers a wide range of opportunities such as working in multinational companies, starting my own venture, or even becoming a consultant. After graduation, I hope to apply my skills in real-world business scenarios and grow as a business professional."
